

# Adding Your School to The GeoFrog Map

Click on the link under the map on this page. Click EDIT.

The image is a screenshot of the Google Maps website interface. At the top left is the "Google maps" logo. To its right is a search bar with the text "Search Maps" and a link "Show search options". Below the search bar is the text "Find businesses, addresses and places of interest. [Learn more.](#)".

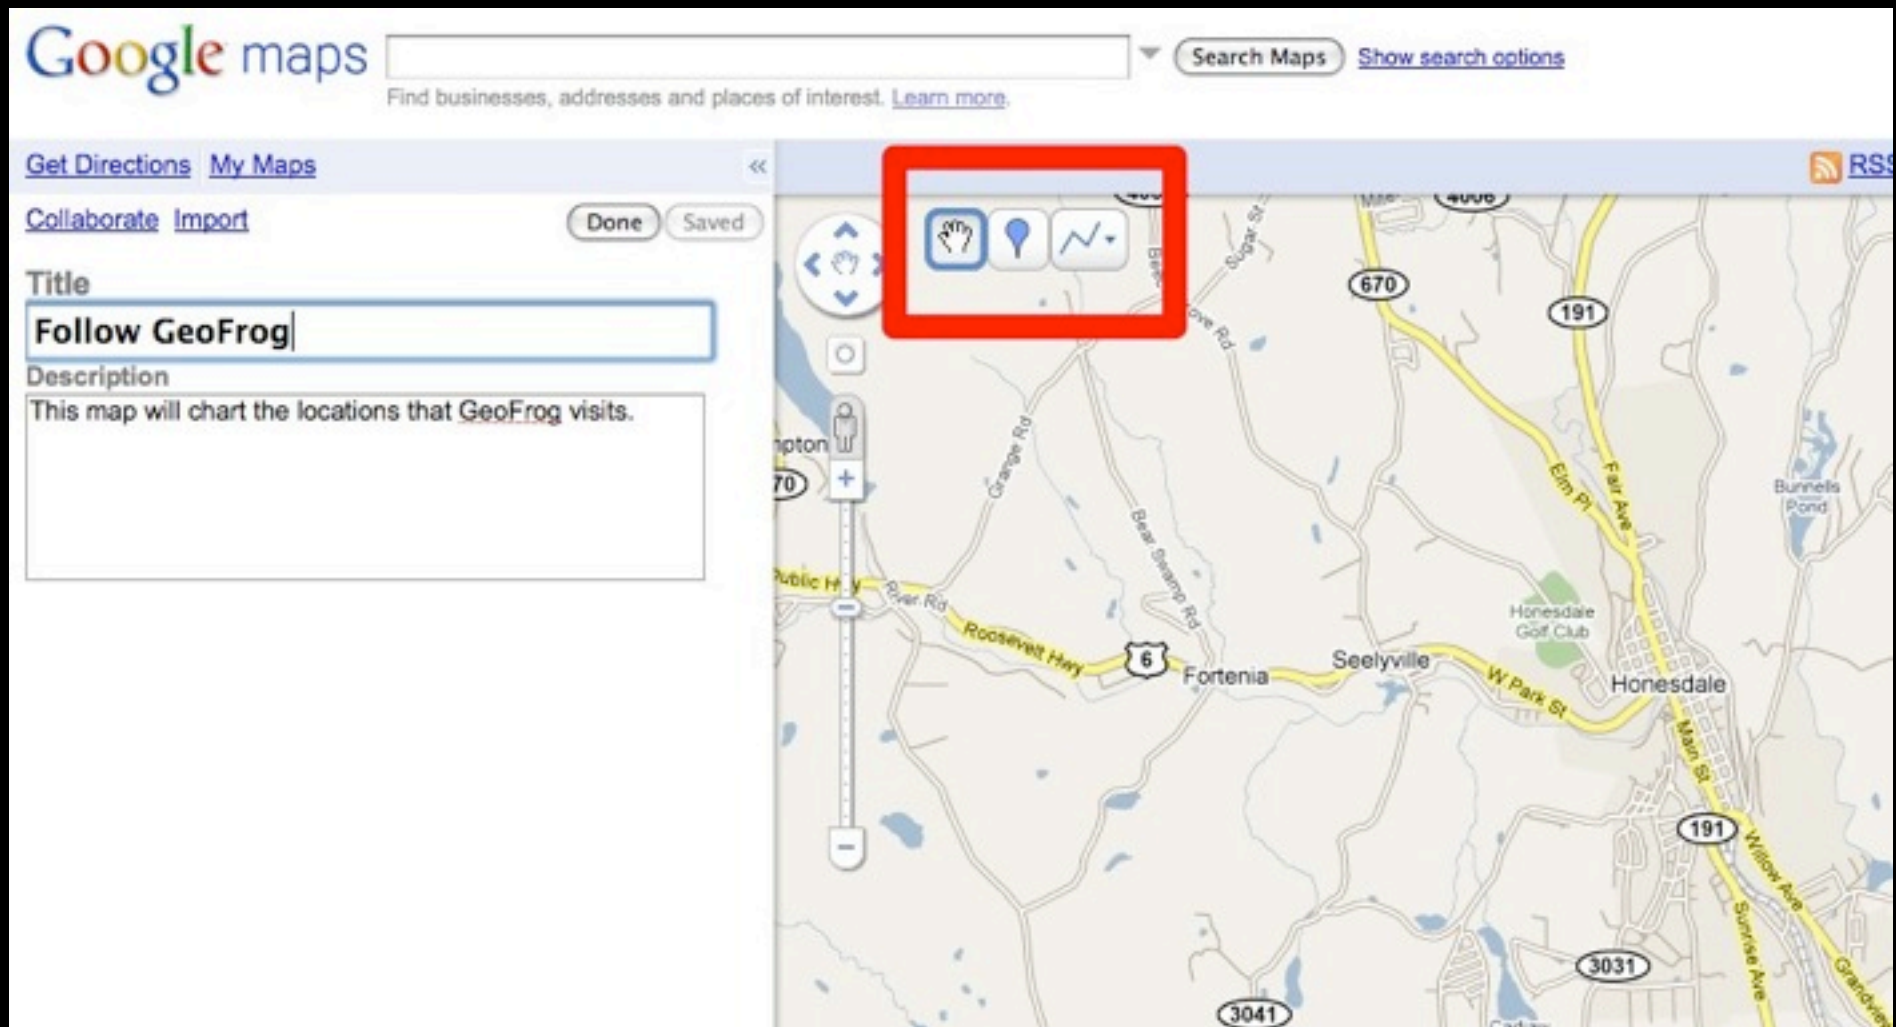

Below the search bar are two links: "Get Directions" and "My Maps".

Below these links is a section titled "Collaborate". Under "Collaborate" is the heading "Follow GeoFrog". Below this heading is the text "This map will chart the locations that GeoFrog visits." followed by "2 views - Public", "Created on Jul 31 - Updated yesterday", "By [Lori](#) - Open Collaboration", and two links: "Rate this map" and "Write a comment". Below this is a link "Report a problem".

On the right side of the page is a map showing a road network. A red circle highlights an "Edit" button located above the map. A red arrow points from the bottom of the circle towards the map area.

The map shows several roads including "Grange Rd", "Beech Grove Rd", "Sugar St", "Bear Swamp Rd", "Roosevelt Hwy", "River Rd", "Public Hwy", "Fortenia", and "Seelyville". There are also highway shields for "670" and "6".

The tools appear. Once you find your location, click on the blue placemark..

Enter your info and click OK. You can click on the blue placemark in the box and it will show you other markers that you can use.
